**Supervisor Taylor Congratulates Stefan Dostanic on Appointment as Deputy
County Clerk**

MILWAUKEE – Supervisor Steve F. Taylor congratulates Stefan Dostanic on being appointed to the position of Deputy County Clerk by County Clerk George L. Christenson.

Supervisor Taylor praised the appointment of Mr. Dostanic who previously worked in the Supervisor's office from 2012-2014.

"I couldn't be happier for Stefan's appointment. Hiring Stefan was the first decision I made after being elected to the County Board and it continues to be the best one. Stefan helped establish how my office operates and interacts with my 54,000 constituents. Legislative aides that have followed in his footsteps have had a lot to live up to," said Taylor. "Stefan has not only become a good friend, but also someone who I respect a great deal."

Mr. Dostanic is a Marquette University alumnus; he graduated in 2007 with degrees in Political Science and History. His strong work ethic, in addition to his obvious skills and abilities, have always distinguished him and give Supervisor Taylor confidence that Mr. Dostanic is the perfect candidate for this position.
